ZOHO PLACEMENT DRIVE

August 2025

The Training & Placement Department successfully organized a **Placement Drive** for **ZOHO Corporation** on **August 2025** at our college campus.

All the eligible **students** from **all departments** enthusiastically participated in the **Written Test**, which was conducted across multiple venues within the campus. The drive provided an excellent opportunity for students to demonstrate their aptitude and problem-solving skills while interacting with one of the leading technology companies.

This initiative highlights the college's commitment to facilitating career opportunities and fostering strong industry connections for its students.

With the kind approval of our Honourable Secretary, Shri S. Ravindran, and the guidance of our respected Principal, Dr. D. Valavan, the event successfully highlighted the importance of industry-academia collaboration, supported by their continuous encouragement.
